HIGHLIGHTS

Being one of the biggest Telecom and IT Industry shows in CIS, TURKMENTEL brought 76 international exhibitors from 14 countries together with 1176 international visitors and Turkmenistan government officials in three days.

Besides Turkmen and Russian exhibitors Turkish and Chinese group participations played important role in the show.

Opening ceremony was attended by Ambassadors, Cabinet Ministers, Ministers and Directors of State Telecom Companies in Turkmenistan.

The conference concurrently held with the exhibition was followed by average 350 attendees.
